Virginia Woolf

Mrs. Dalloway Virginia Woolf

Mrs Dalloway is a novel by Virginia Woolf that details a day in the life of Clarissa Dalloway, a fictional high-society woman in post-First World War England. It is one of Woolf's best-known novels. Created from two short stories, "Mrs Dalloway in Bond Street" and the unfinished "The Prime Minister," the novel addresses Clarissa's preparations for a party she will host that evening. The story travels forwards and back in time and in and out of the characters' minds to construct an image of Clarissa's life and of the inter-war social structure.
