Women Write Resistance: Poets Resist Gender Violence Laura Madeline Wiseman Ph.D.

The anthology *Women Write Resistances: Poets Resist Gender Violence* (Hyacinth Girl Press, 2013) views poetry as a transformative art. By deploying techniques to challenge narratives about violence against women and making alternatives to that violence visible, the over 100 women American poets in this anthology intervene in the ways gender violence is perceived in American culture. The critical introduction frames the intellectual work behind the building of the anthology by describing how poets break silence, disrupt narratives, and use strategic anger to resist for change. Poetry of resistance distinguishes itself by a persuasive rhetoric that asks readers to act. The anthology collects poems by Alicia Ostriker, Maureen Seaton, Judy Grahn, Hadara Bar-Nadav, Ellen Bass, Kristy Bowen, Allison Hedge Coke, Jehanne Dubrow, Leslie Adrienne Miller, Khadijah Queen, Hilda Raz, Evie Shockley, Margo Taft Stever, Judith Vollmer, Rosemary Winslow, and many, many more.
