The *Would You Rather...?* series has become a genuine phenomenon, with books, calendars, board games, a DVD hosted by Howie Mandel, and radio shows. Showcasing Justin Heimberg and David Gomberg's hilariously absurd propositions, this entry is another title designed specifically for young readers. Following the success of *Would You Rather...? Gross Out*, this new title in the series is the perfect way to get reluctant young readers not just reading, but also talking about what they've read — as well as laughing out loud! Perfectly appropriate for the ages 8 to 15, yet absolutely in line with the tastelessness they embrace, *Would You Rather...? Weird, Wild, and Wacky* is one of the weirdest, wildest, and wackiest book written expressly for young readers. Filled with the kind of imaginative, edgy, but family-friendly humor children love, it is a perfect party game or may be enjoyed alone for solitary chuckles.
