E-Commerce Starters Guide (2 in 1 Bundle): Find an e-commerce product and negotiate with a supplier bundle Red Mikhail

Learn these closely guarded secrets by the gurus and start your own e-commerce business

WHAT YOU'LL GET

Learn how to do e-commerce product research the most effective way!

Inside you'll learn:

- The exact checklist that you can use to know if a product will make you money even before you order your first sample
- How to find product ideas like a pro!
- Why 99% of the e-commerce owners are doing their research the wrong way!
- How to evaluate your product ideas,.... step by step
- A simple tool that you can use to make product decision making much, much easier...
- A checklist that you can use to make sure that you won't waste a single cent on a product
- How to find products that are almost guaranteed to be best sellers in their own categories!

Don't do research the old way... the non-effective way... Follow the NINJA method and you'll be on your way to a successful

best selling physical product not just on Amazon but also on other e-commerce stores!

If you are an e-commerce store owner and you're tired of not finding the right suppliers for many of your product

opportunities, then this book is for you

Inside you'll learn:

- How to locate suppliers.
- How to organize your suppliers' information.
- The exact "cheat sheet" that you need to make sure that you're not missing any information that you need to be able to make a

sound decision, on whether you should order the product or not.

- How to negotiate the minimum order quantity (so you'll pay less).
- What are the best shipping options
- What are the best practices that you should always follow so you won't waste your time, money and effort.

Stop being a mediocre e-commerce business and start growing your business today. Follow the steps I laid out and create a long

term money maker business for you and your family
