The Atlas

William T Vollmann

The Atlas William T Vollmann

Hailed by **Newsday** as "the most unconventional--and possibly the most exciting and imaginative--novelist at work today," **William T. Vollmann** has also established himself as an intrepid journalist willing to go to the hottest spots on the planet. Here he draws on these formidable talents to create a web of fifty-three interconnected tales, what he calls "a piecemeal atlas of the world I think in."

Set in locales from Phnom Penh to Sarajevo, Mogadishu to New York, and provocatively combining autobiography with invention, fantasy with reportage, these stories examine poverty, violence, and loss even as they celebrate the beauty of landscape, the thrill of the alien, the infinitely precious pain of love. **The Atlas** brings to life a fascinating array of human beings: an old Inuit walrus-hunter, urban aborigines in Sydney, a crack-addicted prostitute, and even Vollmann himself.

From reader reviews:

Charlotte Maas:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite publication and reading a book. Beside you can solve your long lasting problem; you can add your knowledge by the book entitled The Atlas. Try to face the book The Atlas as your pal. It means that it can being your friend when you sense alone and beside associated with course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you more confidence because you can know every thing by the book. So , let me make new experience as well as knowledge with this book.

Fred Howell:

Do you have something that you want such as book? The e-book lovers usually prefer to pick book like comic, small story and the biggest the first is novel. Now, why not hoping The Atlas that give your fun preference will be satisfied simply by reading this book. Reading practice all over the world can be said as the opportunity for people to know world a great deal better then how they react toward the world. It can't be said constantly that reading routine only for the geeky particular person but for all of you who wants to always be success person. So , for all of you who want to start reading through as your good habit, you could pick The Atlas become your starter.

George Thomas:

This The Atlas is great reserve for you because the content and that is full of information for you who also always deal with world and get to make decision every minute. This specific book reveal it info accurately using great arrange word or we can claim no rambling sentences within it. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tough core information with attractive delivering sentences. Having The Atlas in your hand like keeping the world in your arm, facts in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen small right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt this?

Penny Risley:

Reserve is one of source of knowledge. We can add our understanding from it. Not only for students and also native or citizen require book to know the change information of year to be able to year. As we know those ebooks have many advantages. Beside we add our knowledge, can also bring us to around the world. Through the book The Atlas we can get more advantage. Don't one to be creative people? Being creative person must prefer to read a book. Simply choose the best book that suitable with your aim. Don't possibly be doubt to change your life with this book The Atlas. You can more attractive than now.
