The Democracy Sourcebook

The Democracy Sourcebook

The Democracy Sourcebook offers a collection of classic writings and contemporary scholarship on democracy, creating a book that can be used by undergraduate and graduate students in a wide variety of courses, including American politics, international relations, comparative politics, and political philosophy. The editors have chosen substantial excerpts from the essential theorists of the past, including Jean-Jacques Rousseau, John Stuart Mill, Alexis de Tocqueville, and the authors of *The Federalist Papers*; they place them side by side with the work of such influential modern scholars as Joseph Schumpeter, Adam Przeworski, Seymour Martin Lipset, Samuel P. Huntington, Ronald Dworkin, and Amartya Sen.

The book is divided into nine self-contained chapters: "Defining Democracy," which discusses procedural, deliberative, and substantive democracy; "Sources of Democracy," on why democracy exists in some countries and not in others; "Democracy, Culture, and Society," about cultural and sociological preconditions for democracy; "Democracy and Constitutionalism," which focuses on the importance of independent courts and a bill of rights; "Presidentialism versus Parliamentarianism"; "Representation," discussing which is the fairest system of democratic accountability; "Interest Groups"; "Democracy's Effects," an examination of the effect of democracy on economic growth and social inequality; and finally, "Democracy and the Global Order" discusses the effects of democracy on international relations, including the propensity for war and the erosion of national sovereignty by transnational forces.

From reader reviews:

Allan Carle:

What do you think about book? It is just for students because they are still students or that for all people in the world, what the best subject for that? Just you can be answered for that problem above. Every person has distinct personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great in addition to important the book The Democracy Sourcebook. All type of book would you see on many sources. You can look for the internet options or other social media.

Vincent Ashworth:

Are you kind of active person, only have 10 or maybe 15 minute in your time to upgrading your mind ability or thinking skill actually analytical thinking? Then you are receiving problem with the book compared to can satisfy your short space of time to read it because pretty much everything time you only find book that need more time to be learn. The Democracy Sourcebook can be your answer given it can be read by anyone who have those short extra time problems.

Catherine Ng:

As a university student exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Democracy Sourcebook can make you really feel more interested to read.

David Conover:

Reading a e-book make you to get more knowledge from this. You can take knowledge and information from the book. Book is prepared or printed or illustrated from each source that filled update of news. Within this modern era like today, many ways to get information are available for an individual. From media social just like newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just trying to find the The Democracy Sourcebook when you desired it?
