Private Detective John Russo longs for a change of pace in his career. The mundane, run of the mill divorce cases have sullied his drive. Russo aches for excitement – where are the Mafia hits, the gangster rivals and serial killers he so dreams of catching?

Russo is at a standstill. Give up his passion for crime, continue stalking wayward husbands for angry wives or drop it all for a steady paycheck at the local insurance company? At the end of his financial rope, Ms. Luck's case is just the tonic he needs to turn his life around. As fate would have it, Todd Luck is a missing person. The key objective is that he must be found. Or so it seems.

Detective Russo soon realizes that this simple case is not so simple after all. Just when he thinks that the kidnapping mystery is solved...a new twist enters the mix. Questions and answers swirl and Russo finds himself entrapped in a larger conspiracy. Why is Todd Luck really missing?
