## **Anunnaki Ulema Arawadi Technique: How to enter a parallel dimension and dump there all your troubles.** Maximillien De Lafayette

Maximillien de Lafayette wrote a book titled "Book of Ramadosh", which contained 13 Anunnaki-Ulema mind power techniques to live longer, happier, healthier, wealthier. It was published eight times, and took the world of occult and esoterica by storm. Although it was abundant with easy to follow lessons and information, and written in a simple language, many readers could not digest everything they read in the book. So, we decided to republish the book as a series of 15 booklets, each one containing only one technique. In this manner, the readers will fully concentrate on each technique without feeling lost in the immensity of information and abundance of concepts they are not familiar with. This booklet is the 12th tome/lesson of the series.
