Crush - A Stepbrother Romance Caitlin Daire

Good girls don't kiss and tell...

And they sure as hell don't have crushes on their stepbrothers.

My name is Mia Williams, and I guess I'm not a good girl any more.

Ever since my mother passed away when I was a kid, I've been trying to find my Prince Charming like she wanted me to. Unfortunately, there seem to be more frogs around than princes, and I haven't found a real match yet. Some summer fun at a holiday resort surely couldn't hurt, right? It's just one kiss... until he turns out to be my new stepbrother.

I'm Bradley Eriksson. I used to be bad to the bone, but I'm a new man now... save for the tattoos.

I knew she wasn't just a hook-up as soon as my lips touched hers. Mia is sexy as hell and as forbidden as they come. I may be on the right track again, studying pre-med and working my ass off, but Mia Williams is one temptation I'm not about to resist.

****Crush is a standalone, full-length new adult stepbrother romance. Caution: VERY steamy & sexy - you've been warned, can you handle the heat?****
