Grand Alliance (Kirov Series Book 13) John Schettler

Kirov Saga: Grand Alliance

The Alternate History WWII Continues...

As Fedorov struggles to forge an alliance of understanding between Brigadier Kinlan and General O'Connor, Rommel prepares to launch an offensive to break the last line of resistance south of Sidi Barani. While the Afrika Korps is overstretched and dangerously low on fuel, it now threatens to break through and open the road to Alexandria--and Wavell has nothing left to throw at them until...

German oasis patrols soon encounter an unexpected mechanized force massing on Rommel's flank, and the fate of Egypt will now be decided at an insignificant desert outpost called Bir el Khamsa when the great grandsons of the Desert Rats join their ancestors on the field of honor.

Meanwhile, Volsky, Tovey and Fairchild forge a grand alliance at sea to oppose a powerful Axis fleet. The hubris of Italian General Iachino brings his force into contact with these powerful new foes as the Franco/German fleet rushes to the scene of battle. And Sergei Kirov receives a visit from Vladimir Karpov as the wily ex-Captain of Kirov seeks to further enmesh himself in the decisive campaigns about to open on the eastern front. But Karpov's grand vision of alliances he hopes to form will soon lead him to a most unexpected place, where he will again hold the fate of nations in the palm of his hand.

Battle rages on land and sea in this opening volume of the Grand Alliance trilogy, book 13 in the amazing Kirov Series.

Series Note: This is the first book in the 4th trilogy of the of the Kirov Series. New readers should enter this segment by first reading the bridge novel "Three Kings." This alternate history began with Book 9 in the series "Altered States," and has cover the period June 1940 through February 1941, including action in the North Atlantic, Mers el Kebir, Dakar, Operation Felix (the German attack on Gibraltar), O'Connor's offensive, the arrival and first offensive of Rommel, the German attack on Malta, and a startling development that now comes to fruition in this book.

From reader reviews:

Jon McKibben:

This book untitled Grand Alliance (Kirov Series Book 13) to be one of several books that best seller in this year, here is because when you read this e-book you can get a lot of benefit on it. You will easily to buy this particular book in the book retail outlet or you can order it by using online. The publisher in this book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Cell phone. So there is no reason to you personally to past this e-book from your list.

Carol Pyles:

A lot of people always spent their particular free time to vacation or maybe go to the outside with them family members or their friend. Were you aware? Many a lot of people spent these people free time just watching TV, as well as playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a book. It is really fun for you personally. If you enjoy the book you read you can spent the whole day to reading a book. The book Grand Alliance (Kirov Series Book 13) it is rather good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. In case you did not have enough space to bring this book you can buy the e-book. You can m0ore quickly to read this book from the smart phone. The price is not to cover but this book provides high quality.

Christine Hook:

This Grand Alliance (Kirov Series Book 13) is great book for you because the content which is full of information for you who always deal with world and also have to make decision every minute. This book reveal it data accurately using great manage word or we can point out no rambling sentences within it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but tough core information with splendid delivering sentences. Having Grand Alliance (Kirov Series Book 13) in your hand like keeping the world in your arm, information in it is not ridiculous one particular. We can say that no book that offer you world inside ten or fifteen second right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt this?

Kathleen Blackwood:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Grand Alliance (Kirov Series Book 13) can make you experience more interested to read.
