This is the third book in Randy's Stewart's "Religious Journey" series. In the first, "5 Reasons: Why I Still Believe in God," he asked whether or not God exists and concluded that He does. In the second, "Dear God, You Sure Don't Act Like You're Alive," he explored God's nature and found Him more alive than ever imagined. Now, in this third volume, he challenges you to examine yourself in the spotlight of God's existence and nature. In other words, he wants you to see yourself as God sees you. What better time than now to seek His opinion? What better time than now to rediscover what you were created to be?
