The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking Irina Levin, Igor Levin

Everyone in theatre knows his name, but only a few know Stanislavsky's last work. He died before writing any of his final discoveries for print. Only his colleagues and their pupils knew them. They are the ones, since 1938, who have been refining Stanislavsky's final ideas for modern theatre. Now, finally, this theatre book summarizes these last concepts in an orderly text for teachers and students. In six comprehensive chapters the authors reveal Stanislavsky's method to help actors transform themselves into believable and fascinating stage characters. Six chapters with many topics including: The Development of the Stanislavsky System, Elements of Acting Technique, Work on a Monolog, The Actor's Training, and more. Irina and Igor Levin lived and studied theatre in Russia and have been teachers since immigrating to the United States.

From reader reviews:

James Atkinson:

Do you have something that you prefer such as book? The reserve lovers usually prefer to pick book like comic, limited story and the biggest you are novel. Now, why not hoping The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking that give your enjoyment preference will be satisfied through reading this book. Reading practice all over the world can be said as the opportunity for people to know world far better then how they react in the direction of the world. It can't be stated constantly that reading behavior only for the geeky person but for all of you who wants to end up being success person. So , for all of you who want to start examining as your good habit, you may pick The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking become your own personal starter.

Ronald Hopkins:

Many people spending their time by playing outside having friends, fun activity with family or just watching TV all day long. You can have new activity to spend your whole day by reading a book. Ugh, do you think reading a book can actually hard because you have to use the book everywhere? It all right you can have the e-book, getting everywhere you want in your Mobile phone. Like The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking which is having the e-book version. So , try out this book? Let's see.

India Oakley:

This The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking is new way for you who has attention to look for some information mainly because it relief your hunger of information. Getting deeper you on it getting knowledge more you know or perhaps you who still having bit of digest in reading this The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking can be the light food for yourself because the information inside that book is easy to get through anyone. These books build itself in the form which is reachable by anyone, yeah I mean in the e-book type. People who think that in e-book form make them feel tired even dizzy this guide is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book sort for your better life and knowledge.

Richard Starkes:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this The Stanislavsky Secret: Not a System, Not a Method But a Way of Thinking

can make you feel more interested to read.
