A fine example of Village Prose from the post-Stalin era, *Farewell to Matyora* decries the loss of the Russian peasant culture to the impersonal, soulless march of progress.

It is the final summer of the peasant village of Matyora. A dam will be completed in the fall, destroying the village. Although their departure is inevitable, the characters over when, and even whether, they should leave. A haunting story with a heartfelt theme, *Farewell to Matyora* is a passionate plea for humanity and an eloquent cry for a return to an organic life.
