Last Night in Twisted River: A Novel John Irving

In 1954, in the cookhouse of a logging and sawmill settlement in northern New Hampshire, an anxious twelve-year-old boy mistakes the local constable's girlfriend for a bear. Both the twelve-year-old and his father become fugitives, forced to run from Coos County—to Boston, to southern Vermont, to Toronto—pursued by the implacable constable. Their lone protector is a fiercely libertarian logger, once a river driver, who befriends them. In a story spanning five decades, *Last Night in Twisted River* depicts the recent half-century in the United States as “a living replica of Coos County, where lethal hatreds were generally permitted to run their course.” What further distinguishes **Last Night in Twisted River** is the author's unmistakable voice—the inimitable voice of an accomplished storyteller.
