Rum Punch Elmore Leonard

"Unputdownable! Beneath its fast moving surface, *Rum Punch* is a novel about growing old, about the way that time changes us, about the old dream of starting over again and its cost."--*The Washington Post Book World*.

Pretty working-girl Jackie Burke is in a tight spot. She's just been picked up at Palm Beach International with fifty grand and some blow stashed in her flight bag. Lucky for her, the Feds want something Jackie's got: the inside track to Ordell Robbie, the notoriously slick arms dealer. And they're ready to deal--Ordell in exchange for her freedom. But Jackie's got another ace up her sleeve. . .Enter Max Cherry, bail bondsman. Big, tough, basically decent Max is on the verge of divorce and tired of the same old grind. That's where Jackie comes in. The fifty big ones are peanuts compared to what Ordell's got locked away in Freeport. But when a blowsy blond blowhead and a none-too-bright ex con try to muscle in on the action, it's time to pull and old bait and switch--where the good guys are played off against the bad guys--and where Jackie and Max hope to walk off into the Florida sunset with a hot half million in cold cash.
