Everybody Wants Some: The Van Halen Saga Ian Christie

The first definitive biography of the ultimate American rock band

How did a pair of little Dutch boys trained in classical music grow up to become the nucleus of the most popular heavy metal band of all time? What's the secret behind Eddie Van Halen's incredible fast and furious guitar solos? What makes David Lee Roth and Sammy Hagar so wacky? And, are all those stories about groupies, booze bashes, and contract riders true? The naked truth is laid bare in *Everybody Wants Some*--the real-life story of a rock 'n' roll fantasy come true.
