Galaxy Games: The Challengers Greg R. Fishbone

Things are looking up for Tyler Sato (literally!) as he and his friends scan the sky for a star named after him by his Tokyo cousins on his eleventh birthday. Ordinary stars stay in one place, but Ty's is streaking toward Earth. Soon the world is talking about TY SATO, the doomsday asteroid, and life is turned upside down for Ty Sato, the boy, who would rather be playing hoops in the driveway.

Meanwhile, aboard a silver spaceship heading for Earth, M'Frozza, a girl with three eyes and five nose holes, is on a secret mission. M'Frozza is the captain of Mrendaria's Galaxy Games team, and she is desperate to save her world from a dishonorable performance in the biggest sporting event in the universe.

What will happen when Ty meets M'Frozza? Get ready for the most important event in human history—it'll be off the backboard, around the rim, and out of this world!
