Academy Award nominee **Samuel L. Jackson** (*Pulp Fiction*) rocks this mock bedtime story, capturing a hilarious range of emotions as the voice of a father struggling to get his child to sleep.

Go the F--k to Sleep is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. California Book Award-winning author Adam Mansbach's profane, affectionate, and radically honest verses perfectly capture the familiar - and unspoken - tribulations of putting your little angel down for the night. In the process, he opens up a conversation about parenting, granting us permission to admit our frustrations and laugh at their absurdity.

Beautiful, subversive, and pants-wettingly funny, *Go the F**k to Sleep* is a book for parents new, old, and expectant. Due to its explicit language, you probably should not play it for your children.
