Discover Amazing Sea Marine Life Animals, Funny Sharks to Weird Yeti Crabs

While working with my grandson on a school, marine life project, we discovered strange and funny sea life creatures that we didn't even know existed! Like the shark that looks like an oriental rug, or the chameleons of the sea that change their color at will.

Come discover with your children inside this book funny and weird marine animals that will keep your young readers interested in reading this book over and over again. Filled with colorful graphic photos and interesting animal facts, this children's book is designed to be a learning tool too, with "What did You Learn Today" fun questions and answers.

Five Star Reviews!

***Fabulous pictures of sea creatures!** - This is a beautifully done book giving fabulous information on these weird and funny looking sea creatures. It was very educational as I have never heard of many of them. Would definitely recommend this book to adults and children alike!*

***Sea creatures are amazing** - The cover of the book really got my attention so I decided to grab the book. I always read the book first before I read it to my nieces and I actually learned quite a bit. I was blown away by the photos and facts that were provided in the book. The author did it in a way that is not too hard for kids too. I am a stickler for education so I definitely can appreciate the quiz that is provided at the end of the book. Good read for kids and adults!*

***Magnificent book with stunning full color photos** - This beautiful book contains descriptions and photos of the strangest sea creatures. Many are new to me with large, full color photos of each fish, snail, Dogface Pufferfish and Sarcastic Fringehead. Read this with your children. The author provides excellent facts in a consistent layout that makes it easy to follow. Take the quiz at the end and check answers on the next page. I love major city aquariums. This book made me feel like I was walking around one of the best!*
