UNWRAPPED- A STEPBROTHER ROMANCE

I couldn't wait to spend the holidays relaxing at my family's cabin after a rough semester at school. Not only did I need a break, but I also needed to see Beau, the stepbrother I'd been in love with since his dad married my mom in the 8th grade.

Our parents met while my mom was vacationing in Australia, and not long after, Beau and his dad moved to the States to combine our families. I'd fallen for Beau the second he opened his mouth and his sexy Australian accent came pouring out of his lips. I didn't even know what he'd said. I just knew we were destined to be together. The fates had aligned and he was my one and only.

Or so I thought.

He ruined that dream by getting hitched to his high school girlfriend right after graduation. We both knew it was the biggest mistake, ever, in the history of ever.

Why he did it, no one knows but him. But I'll be making sure it's not going to be an issue much longer.

He'll never even know what hit him.

This is going to be the best Christmas ever if I have anything to do with it, and I'm not asking for much. The only thing on my Christmas list this year is unwrapping my stepbrother's heart, mind, body, and soul.

Easy peasy.
